Stanley Barrell-Kane

EDUCATION

Ph.D. Economics   **Sep 2023 - Sep 2027 (expected)**
University of Bristol

M.Res. Economics (Distinction)   **Sep 2022 - Sep 2023**
University of Bristol

B.Sc. Economics and Econometrics (First-class honours)   **Sep 2019 - June 2022**
University of Bristol

EXPERIENCE

Research assistant to Dr. Hailey Yoon   **June 2023 - August 2024**

- Dr. Yoon's project aims to consider heterogeneity in the scope and enforceability of environmental provisions in trade agreements across time and across regions

- My role involved preprocessing a corpus of preferential trade agreements from the Text of Trade Agreements (ToTA) dataset in Python, linking this with the Trade & Environment Database (TREND), and using the BERT language model to create embeddings

TEACHING

Public Economics (ECON30034)   **Spring 2024, 2025**
University of Bristol

Economics (ECONM0029)   **Autumn 2024**
University of Bristol

SKILLS

Programming   STATA (proficient), R (proficient), MATLAB (proficient), Python (intermediate)
